Our theme is **I Belong...Building Community Together**. All families are unique. Culture is constantly evolving and passed down through generations. Family culture is the combination of your family's habits, traditions, purpose, values, beliefs and choices. This event is created to build community alongside one another by learning more about yourself and your fellow Kenmore Cubs.

#### Here are the guidelines for Family Culture Night Projects:

1. Each project has 3 parts:
  - Think about what makes your family and you uniquely yourself,
  - Make a display that shares your family culture,
  - Present your display on the evening of Family Culture Night from 5:30-6:30pm in the gym.
2. Please turn in your registration form to your teacher by no later than Oct. 13. Your registration form indicates your intent to participate. It does not imply that the project is finished. **Family Culture Night will be held on Friday, Oct. 20th from 5:30pm-8:00pm.**
3. A display board will be given to all students wishing to participate. You CAN use your display from last year.
4. Use the provided Toolkit packet as inspiration to explore your unique family culture. You can also bring food to share, wear something that represents your culture and participate in the Parade of Cultural Dress at 6:20pm in the gym.
