Our theme is **I Belong...Building Community Together**. All families are unique. Culture is constantly evolving and passed down through generations. Family culture is the combination of your family's habits, traditions, purpose, values, beliefs and choices. This event is created to build community alongside one another by learning more about yourself and your fellow Kenmore Cubs.

Here are the guidelines for Family Culture Night Projects:

- Each project has 3 parts:
 - Think about what makes your family uniquely unique,
 - Make a display that shares your family culture,
 - Bring your display on the evening of Family Culture Night before 5:00pm at Kenmore's City Hall.
- Please turn in your registration form to your teacher by no later than Oct. 11th. Your registration form indicates your intent to participate. It does not imply that the project is finished. **Family Culture Night will be held on Friday, Oct. 18th from 5pm-7:00pm at the Hangar at Kenmore Town Square.**
- A display board will be given to all students wishing to participate. You CAN use your display from last year.
- Use the provided Toolkit packet as inspiration to explore your unique family culture. You can also bring food to share, wear something that represents your culture and participate in the Parade of Cultural Dress.
