

Family Culture Night Tool Kit

My Family

There are many different kinds of families.

In my house I live with:

My Community

There are different religious and cultural groups in my community that help make it diverse.

A culture I notice in my community is:

3 Different foods I've noticed in my classroom that I have never tried before.

List the languages you have heard at recess:

In my community, I notice people believe:

My Culture

There are different religious and cultural groups in my community that help make it diverse.

One culture my family identifies with is:

3

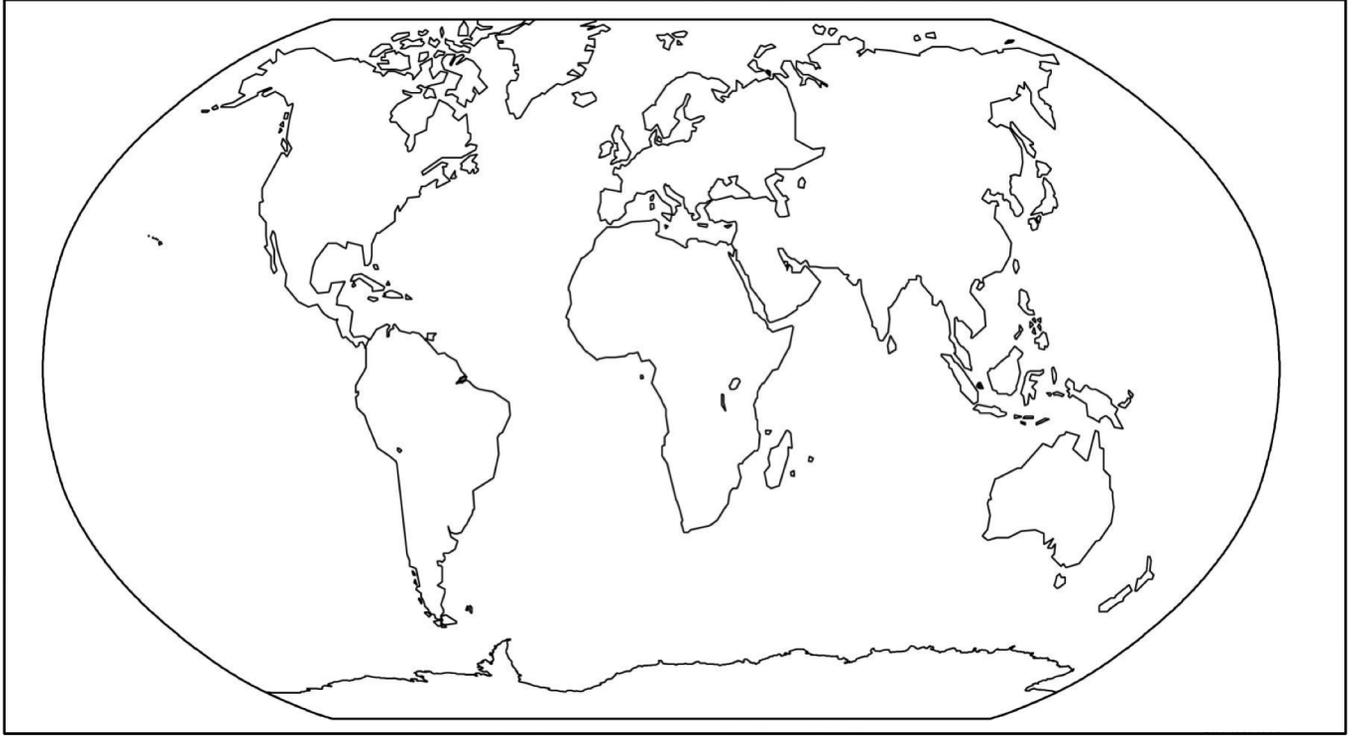

Different foods from my culture that my family loves:

The languages I hear in my home are:

In my family's culture, we believe:

My Country

Sometimes we are born in different countries than our parents, guardians, grandparents, or other people in our family. Fill in the blanks based on who is in your family. Locate each country on your list. Use a different color for the continent each country is located in.

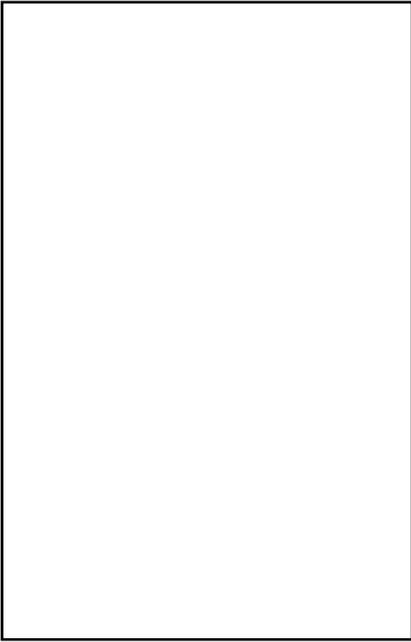

I was born in _____.
